

OFFICIAL CALL

Idaho Federation OF MUSIC CLUBS

STATE CONVENTION

April 15, 2023

Jewett Auditorium, College of Idaho, Caldwell, ID

► REGISTRATION

Full registration for the days' events is \$50. This includes catered meals and all daytime concerts, meetings, sessions, and activities. Registration will be accepted up to and including the day of the convention, although meals will not be catered for those registering after April 1, 2023. (*See registration sheet for more details.*)

► ATTENDANCE

Each club in Idaho should have at least one member attending, and as many members as possible participating. Presidents and Treasurers of local clubs are expected to attend the Presidents' and Treasurers' Forums, respectively, while others attend the Teachers' Roundtable.

► REPORTS

Each club will present a brief report on their club activities of the past year. These will be shared in the morning business meeting.

► LOCATION

The Convention will be held at Jewett Auditorium on the College of Idaho campus in Caldwell, ID. Smaller sessions will be held in adjoining rooms, while larger sessions and concerts will be held in the full auditorium. Meals will be enjoyed at the Simplot Dining Hall, just a few steps away.

► HOUSING

Local IFMC members who are willing to house a guest may indicate their willingness to do so on the registration sheet. Out-of-town members who would like to find housing may also indicate on the registration sheet. Paulette Richards will be coordinating hosts and guests. There are also multiple hotel options in the Treasure Valley for those who would prefer that option. (*IFMC is not coordinating hotel provision or transport.*)

► APPAREL

Comfortable business attire is appropriate for the day. It is April in Idaho, and difficult to predict temperatures. A removable sweater or jacket may be appropriate to adjust to different environments. You will be walking from one building to another for meals, so bring appropriate necessities.

► MUSICAL OPPORTUNITIES

We are planning to have a Convention Choir, which will perform during our afternoon concert session. We will only have time to rehearse two pieces, so parts must be learned in advance. If you are interested in singing, please indicate your part on the registration page.

We would like to have a Convention String Ensemble as well, to perform in our afternoon session. If you are interested, please indicate your instrument on the registration page.

► SILENT AUCTION

There will be tables set up in the lobby of Jewett Auditorium to display items for our silent auction. Money raised from this endeavor will be divided between clubs who have the most attendees (*by number, and by percentage*) of their club membership, for their club scholarship fund.

If you are interested in donating an item for the silent auction, please indicate what it is on the registration page. People may donate more than one item.

► PRIZES

We will have prizes available to win, either by entry or by lottery drawing.

- EVENING CONCERT -

Our guest artist, **Rachel Breen**, is the current winner of the NFMC Young Artist Competition in Piano. She is a dynamic, highly musical pianist, and will delight the audience. This concert is free and open to the public.

Students should be encouraged to attend!
